

# *The Sock Monster ate my Favourite Sock*

*Author: Emma R McNally*

*Reception Class Programme: 90 minutes*

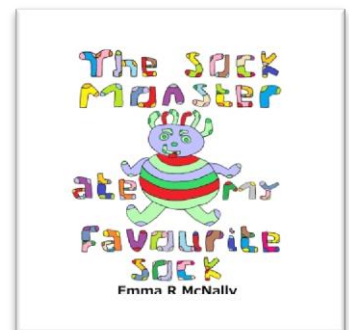

Type of book; rhyming action book

## **Objective**

The overall objective of the session is to encourage children to develop their own love of reading and to inspire their imagination through interactive learning.

## **Outcome:**

By the end of the session, the children will have a greater understanding of the role of an author and illustrator. They will have had the opportunity to ask questions and suggest their own actions and performed the story as a group. They will also have drawn and named their own monster or coloured in the Sock Monster (depending on the child's ability).

## **Introduction**

I will introduce my work to the class.

I will read the book so that the children are familiar with the story and encourage them to decide their own actions. I will then re-read the book with the children joining in.

### **Create your own Monster:**

- The children can draw their own monster and name their new creature or colour in a picture of the Sock Monster.
- Optional: they can create their own fact file – what does their monster eat, size, etc. (if appropriate).

### **Finish**

- Questions and Answers.
- I will read another one of my rhyming picture books to finish the session.
